Dear ,

One of the greatest joys of serving at Open Door Christian Schools is seeing the difference an ODCS education makes in the lives of our students and our community. In making Christ known throughout every element of our program, our students are growing to their fullest potential and shining for the Lord's glory. Did you know that last year alone our students provided over 5,000 hours of service to our community? Additionally, our students are shining academically and in their extracurricular performance. Continually we have over 90% of our students attending the college of their choice along with earning awards at the regional and state level in extracurricular programs.

As I share our success, I am reminded that God uses the faithful support of alumni, parents and friends to grow the ODCS difference into the lives of our students. Difference makers such as capital improvements, faculty training/compensation, and tuition assistance are supported by those who donate to the Annual Fund. We are convinced that for nine months of the year there is no single greater activity in which a student sees Christ in the totality of life than their educational experience. Alongsiders to the Annual Fund enable us to enact this conviction.

With this in mind, I invite you to renew, increase, or perhaps make your first gift to the Annual Fund. Your support is vital to reaching our goal of \$200,000 and serves to ensure that other young minds experience the ODCS difference. For your convenience, a pledge card and envelope have been enclosed. You may also make a secure online gift at [annualfund.odcs.org](http://annualfund.odcs.org). or call Deborah Bentley at (440) 326-2363.

Once again, thank you for supporting the ODCS difference as we work together to equip disciples through exemplary education.

With Appreciation,

Denver L. Daniel, President
